Chrissy / Jeff –

Policy 428.7 involves the sharing of LPR data with other law enforcement agencies.

428.7 RELEASING ALPR DATA
The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures:
(a) The agency makes a written request for the ALPR data that includes:
(a) The name of the agency.
(b) The name of the person requesting.
(c) The intended purpose of obtaining the information.
(b) The request is reviewed by the Support Division Commander or the authorized designee and approved before the request is fulfilled.
(c) The approved request is retained on file.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed
as provided in the Records Maintenance and Release Policy (Civil Code § 1798.90.55).

I know we made some changes to Policy 428 when we developed it, but I don't remember if we made any changes to 428.7. Would it be possible to send me a copy of the original, un-modified Lexipol version of Policy 428? Or somehow let me know what changes we made to it?

Thank you,

Dan
